

Cutting the Notch High

We've cut a high notch for November business. With a store filled with good, reliable merchandise, with styles brought right down to the minute, with selling enthusiasm pervading every section, with clean methods and low prices, there should be but little difficulty in reaching the notch. Thus we swing into the Winter's business with full confidence as to results, and such attractive values as the following will do much to bring about those results:

NEW VESTINGS FOR WAISTS.

From the time cotton yarns began to be mercerized wonders have been revealed in cotton fabrics, until today you can buy cotton fabrics the shades and pattern designs of which rival the best silks. We have them and new ones arriving daily. Prices, 25c to \$1.00 per yard. Special values in small pieces to close.

13-SUITS-13.

Just an odd lot of left-overs from the past season. Many of them the \$1.50 kind, but we want to clean up the lot and the price will be, while they last, only \$9.98.

COTTON AND WOOL BLANKETS.

Many wait until the nip of the frost before buying their bed coverings. The frost makes no impression upon those who sleep under the kind we sell. 10 and 11-4 White and Grey Blankets, 49c to \$2.98; 11-4 Wool Blankets, \$2.98 to \$11.00 per pair. Remember we sell the famous California Blankets.

Mrs. Cummings' China will be on exhibition at the store during the holidays.

CATARH CURED WITHOUT DRUGS

Hyomel Medicates the Air You Breathe,
Kills the Germs and Cures
the Disease.

Hyomel cures catarrh thoroughly and permanently, because it reaches the smallest air cells in the head, throat and lungs, kills the germs causing the disease and drives it from the system. Hyomel goes to the root of the disease, destroys the cause, and makes permanent cures which can be effected in no other way. Breathe it for a few minutes four times a day and benefit will be seen at once. Continue this treatment for a few weeks and Hyomel will have cured you.

The Hyomel breathed through a neat pocket inhaler furnished with each outfit mingles with the air you breathe. It is a local and direct treatment for eradicating all catarrh germs in the mucous membrane and tissues and in this way cures catarrh in any part of the system. Used in connection with Hyomel Balm it has been successful in curing the worst and most deep-seated cases of catarrhal deafness.

The complete Hyomel outfit costs \$1.00 and comprises an inhaler, a bottle of Hyomel and a dropper. The inhaler will last a lifetime; and additional bottles of Hyomel can be obtained for 50c.

Stronger than any claims that can be made in an advertisement, is the fact that Rickett & Wells will give their personal guarantee with every Hyomel outfit they sell to refund the money if the purchaser can say that Hyomel has not given satisfaction.
